- Provide support, supervision and monitoring of Community Health Workers (CHWs) by providing education, training, guidance and follow-up on care delivery to clients.
- Providing information, insight and teaching to CHWs on client care plans, delegation of tasks and related education and teaching. This may occur from an office environment or in the client home.
- Respond to client and CHW feedback related to the delivery of home support services, making appropriate recommendations or taking action if necessary.
- Assist clients and CHWs by providing on-site training and evaluation appropriate to client needs.
- Provide initial home visits to clients and families; support ongoing clinical needs thereafter
- Support clients, employees and health authority in a dynamic and high-paced call center
- Develop, implement and update individual care plans
- Maintain pertinent professional client and employee documentation, including computer records
- Initiate and participate in performance management in consultation with leadership
- Maintain up-to-date knowledge of relevant policies and procedures
- Partnering with home support schedulers and CHWs in the delivery of care
- Visit and support clients in their home
- Prepare and participate in client care conferencing
- Support our safety culture by investigating, recording and reporting incidents, accidents and near misses, and implementing corrective actions as appropriate for both client and employee related incidents
- Follow all related due diligence requirements as a Supervisor; including WorkSafe BC Regulations and duties as a supervisor
- Perform other related duties as assigned

QUALIFICATIONS:

- Full scope LPN Diploma
- Current CLPNBC Registration
- Valid BC Driver's License and a reliable vehicle
- WHMIS Certificate
- Able to effectively use a computer and electronic devices
- Clear Police Criminal Record Check and Solicitor General's Criminal Record Check

KNOWLEDGE, SKILLS AND ABILITIES:

- Strong knowledge of computer applications, data entry and keyboarding skills
- Strong organization and time management skills
- Ability to effectively communicate both verbally and in writing
- Ability to communicate with clients, clinicians and CHWs
- Ability to problem-solve and deal with conflict resolution
- Ability to multi-task and problem solve in a call center environment

- Ability to support, supervise, guide and mentor HCA/CHWs in the delivery of quality care
- Ability to establish and maintain positive working relationships and participate effectively as a team member

ABOUT OUR BENEFITS:

- At Beacon, we're committed to supporting the well-being of our staff and their families.
- All our staff are invited to enjoy our annual Staff Appreciation Dinner and to join in fun activities such as Beacon's workplace community fundraisers, BBQs, or other events. We hold training sessions on various topics and offer access to a robust library of online materials on topics for work, general interest or to support well-being.
- Our Regular staff also receive a comprehensive benefits package — including extended health and dental care plans and employer contributions toward retirement.

WE LIVE SAFETY!

The safety of our clients, staff and volunteers is a priority of Beacon Community Services. We promote healthy and safe working conditions in all of our operations. We are committed to continuously improving safety and *it is essential to this position*. We further support safety through the active participation and co-operation of management, supervisors, workers and joint occupational health and safety committees.
