

Position Title: Registered Nurse (RN) (Growth potential to <i>Acting</i> RN Manager following three months of continuous employment)	Position Number: 2020-020
Department: Licensed Dementia Housing Worksite: Brentwood House, Brentwood Bay, BC	Days/Hours of Work: 3 days per week (22.5 hours per week) Status: Regular, Part-Time
Remuneration: Commensurate with experience, plus benefits package Start Date: Available Immediately	Posting Period: Until Filled Union: Exempt

JOB SUMMARY:

Reporting to the Brentwood House Manager, the RN is responsible for Quality Nursing care at Brentwood House. The RN performs assessments and, in conjunction with the LPN and Brentwood House Manager, assists in developing and coordinating the implementation of individualized care plans and maintains dignity and respect for residents' rights. The RN will support a Social Model of individualized care in collaborating with resident, family, and a multi-disciplinary team. The RN operates within an environment that encourages resident and staff participation, and promotes independence.

The RN operates in accordance with the competency guidelines and full scope of practice within the Standards of Practice, as outlined by the British Columbia College of Nursing Professionals. The RN will also operate according to Beacon Community Services' policies, standards, and site-specific protocols.

DUTIES AND RESPONSIBILITIES:

1. Collaborates and over sees and reviews resident's Nursing care at Brentwood House, initial and ongoing assessments, including actual and potential strengths and limitations of cognitive, physiological, psychological, socio-cultural, and spiritual needs.
2. Oversees and helps Full scope LPN's develop and monitor each resident's individualized care plan using RAI MDS 2.0 data, and admission and Initial Care Conference data. Explains plan of care to residents and their families.
3. Reviews, documents and updates all relevant information related to resident care and procedures to achieve resident safety and comfort.
4. Develops RN and LPN nursing procedures as necessary.
5. Participates in admissions, discharges, and transfers of residents according to site operating policies and procedures.
6. Encourages, educates and supports LPN/ and care staff. Provides input into care staff/LPN performance and evaluations.
7. Assists in the orientation and continuing education of new staff, students and other members of the Health Care Team.
8. Participates in the continuous quality improvement and program evaluation activities, education sessions, team conferences, meetings and committees.
9. Liaises with Residential Case Manager, Geriatric Specialty Services, Pharmacists, Nurse Practitioners, Physicians and Families.

10. Demonstrates evidence based practice to meet the needs of the resident/client. Monitors and documents relevant observations, assessments and interventions including resident and family teaching and evaluation of care.
11. Uses designated protocols to ensure that unusual or serious incidents are managed and reported in a timely fashion.
12. Assists with staffing coordination
13. Assists and plans care conferences and Medication reviews
14. Provides backup for the Brentwood House Manager as required.
15. Performs other related duties as required.
