### Connecting With Your Community

### SHOAL OPEN HOUSE

Get ready for a great fall season with our 17th annual Open House. With tours, door prizes, free demos, an amazing BBQ and 1/2 price on all new memberships! Friday, September 6th 10:00 am - 2:00 pm

Many of our programs and services are made possible through the generous support from the Town of Sidney, United Way of BC and the United Way of Southern Vancouver Island.

# From the Director's Desk

This fall we are gearing up for our engaging and festive autumn events. We start in September with our annual Open House on Friday, September 6th. With the theme of **Connecting with Your Community**, this day is intended to promote community engagement, volunteerism, education, and support. We also hope to bring awareness to our many community outreach programs which provide non-medical supportive services to help seniors maintain independence and enhance their well-being at home.

It is our goal to increase membership and improve programming to better meet the needs of older adults living on the Peninsula, decrease isolation and promote healthy aging. To do this, we need your support. We encourage you to invite your friends, neighbours, or anyone who would benefit from being part of the centre to our Open House. If you have any ideas or suggestions for programs or activities we can offer, skills you can share, or time you can give, **we want to hear from you!** Reach out so we can discuss how we can make SHOAL a better place!

Behind the scenes, we are working on the **Red Thread Project** with a team of Beacon volunteers, led by Susan Baldwin. We are evaluating the needs of the centre to discover ways to enhance what we are trying to accomplish—a sustainable seniors centre that promotes health and well-being for seniors. We want to be welcoming and provide supportive services to meet the needs of our growing and evolving senior population. If you are interested in learning more about this project, or want to get involved, email [redthread@beaconcs.ca](mailto:redthread@beaconcs.ca).

We continue to celebrate **Beacon's 50th Anniversary**. Beacon has grown and continues to grow, supporting people of all ages in the CRD. To find out more about all Beacon does go to [www.beaconcs.ca](http://www.beaconcs.ca). If you want to learn a bit about Beacons history, read how we have been lighting the way for 50 years on page 14. Thank you to Beacon's historian, Maureen Dale for researching and providing this interesting information!

## Thank You

A big thank you and goodbye to Solange Valiquette, who stepped up to the Caregiver programs plate this year.

Solange first ran a Family Caregivers of BC support group at SHOAL, before moving to Quebec. Upon her return, she immediately filled our need for a Caregiver Cafe Hostess. She also helped to launch our Central Saanich Caregiver Support group in September. Throughout the summer Solange worked tirelessly to promote the group with professionals, agencies and popular spots in the Brentwood area.

Solange will be sorely missed. The heart and experience she brought to this work will never be forgotten. Thank you Solange for all you have done and given. We wish you only the very best as you settle in Parksville. Happy Trails!

**SHINE Updates**

SHINE has teamed up with the Saanich Peninsula Literacy for an exciting computer literacy project. Computer literacy goes hand in hand with the housing search in order to respond to online rental ads, getting in touch with housing references, and communicating with potential landlords.

New Landlord/Tenant laws recently came into effect that say when a landlord needs to evict a tenant for landlord use, they must give four months notice instead of two, which helps displaced tenants have more time to find adequate housing.

# Development at Beacon

Thelma was a local senior who was feeling isolated and lonely after the passing of her beloved husband and the subsequent COVID-19 pandemic. Reluctantly, Thelma agreed to move into SHOAL Centre Assisted Living.

On Thelma's first day there was a sign on her door that read "Welcome Home, Thelma." Looking at her family with joy in her eyes, Thelma pointed to the sign with pride.

Thelma's family would call and visit regularly. One week after moving, Thelma abruptly ended a phone conversation because "Dominos is about to begin, and the gang is all waiting for me." Thelma's move into Assisted Living is where her smile and sense of purpose finally returned.

In the spring of 2024, Thelma's health took a turn for the worse. She was brought to Saanich Peninsula Hospital and passed away in May 2024.

Thelma's family said: "Thank you to everyone at SHOAL, you turned Mom's final weeks and months from a constant string of dark nights into consecutive bright days. We are eternally grateful for that."

Thelma's story is a testament to the power of community and the support that Beacon offers for seniors. Consider supporting our mission to bring purpose to isolated seniors.

# Lighting the Way for 50 years!

**T**his year marks Beacon Community Services' (BCS) 50 years of service - Helping People, Empowering Communities, Improving Lives. This is the first of a series of articles to highlight the evolution of the organization and the services it has offered over the years.

Many of you know about the Thrift Shops and SHOAL Centre. Did you know BCS also provides services for children, youth, and families, and adults seeking employment? Did you know BCS provides assisted living, dementia, and homeless prevention housing and supports?

Would you like to hear about the first program offered in 1974 and its connection with Mary Winspear?

Aren't you a little bit curious to know when Volunteer Services started, and when homemaking services, volunteer drives and phone check-ins were first offered?

Would you like to know how teens, a fire, and the Sidney Thrift Shop grand opening are connected?

Well that's what we're going to talk about in future articles, that and much, much more!

<sup>1</sup> The Sidney Review Jan 31 1979

The society was first registered on April 24, 1974. It was founded with the objective of establishing a network of community services on the Saanich Peninsula in the region defined by School District 63.

Sue Langlois, shown in the photo on the right, was the first Chair of the Board and Barry Wycham was the first Treasurer.

*Thank you so much, to Tom and his cockatoo "Sprint" who came to our last White Cane Club meeting. The participants found so much joy in having a cockatoo joining our meeting!*
