## Statement of Parental/Guardian Responsibility

Child Care Resource and Referral centres (CCRRs) develop and maintain a child care Referral List for their Service Area.

It is important to note that the child care Referral List is not a recommendation or guarantee of the quality of care provided, but is intended as a resource for families when searching for child care.

Parent/guardian(s) have final responsibility to ensure child care arrangements meet the specific needs of their family.

### TERMS OF USE

1. Accessing services through a CCRR is voluntary; and
2. Families accessing services through a CCRR expressly agree:
  - To assume any and all risks involved in the selection of the child care arrangement;
  - The CCRR staff and the Board of Directors are not responsible for the choice of child care; and
  - Staff and the Board of Directors of the CCRR are excluded from any and all liability for negligence arising in connection with the referral services provided, and/or the actions of any Child Care Provider selected by the parent/guardian.
